Pike and Angel: members of 'The Wild Bunch'. It was a group of outlaws based in Indian Territory. They terrorized Kansas, Missouri, Arkansas, and Oklahoma Territory during the 1890s, robbing banks and stores, holding up trains, and killing lawmen. There's a 1969 Western film about them.

21 GREENHORN

You eat too much, man!

Boy, he's one heavy guy!

Bo...

... which states that a human life weighs heavier than the world!

You fat pig, you know how much you weigh? Ever weighed yourself?

Who's the person who weighed you?

ANY IDEAS?

WHAT WILL I SAY?

SO? WHAT

SO?

WE ARE IN A TIGHT SPOT

DEAD PEOPLE DON'T TALK!

AND HIS HEAD IS ALL EMPTY.

2

...in ...in a country ...

We live...

He's ...

He's a "weight-person" !!

THAT'S NOT WHAT I WANTED TO SAY.

THAT'S NOT IT.

IT'S NOT AS GOOD AS C.D.*

THAT WAS TOO LAME!

One of the worst jokes of all time.

Did you hear what I heard?

Team B, dead angle.

Team A, negative, dead angle.

Team C, impossible.

SNIPER TEAMS, CAN YOU REACH HIM?

Talk to him!

HE STARTED SPEAKING, KEEP ON DISCUSSING!

SHI... SHI-OMI!

I HEARD EVERYTHING.

IT'LL BE A PIECE OF CAKE

IF HE FALLS FOR THAT

"What is the weight of life?"

That's what you want to know, isn't it?

Is that a declaration or a demand?

I'm asking you.

6

My first demand is the weight of life. And its price, while we're at it.

That... That's right! I want the weight, accurate to the gram!!!

The differences in damages paid to people who had an accident, that ain't normal!

Let's talk about the difference between countries too.

I want an answer straight from the leaders of this country !!

I don't want any civil servants!

Asia, Africa, the West! What's a Japanese worth to them?

Aren't we supposed to be equal?

... my second demand !!

Here is ...

That's your only demand?

The hidden snipers as well...

Those machines designed to kill people...

Those guns pointed at us...

He barely breathes.

This hostage...

SHUT UP!

He's a cop from this prefecture, he's called Yamazaki.

To you, as to us, his life is precious.

You know, we—
Those who want to kill us, raise your hands!
What? Who's not happy, out there?

Lucky you, being able to kill in the name of the law.

...we are the bad guys and you, the good guys?

You kill people too, but we...

IBARAKI AIRSPACE ALTITUDE:10,000 METERS

IT'S NOT ABOUT GOOD GUYS AND BAD GUYS.

CASE D...

SOS BEFORE CHECK-POINT!

TEAM 2.

AFFIR-MATIVE.

IT'S ABOUT BEING FOR OR AGAINST THE SYSTEM, YOU GREEN-HORN!

Give me reasons which apply even in times of war...
...but without talking about laws and religion!
Why is it not acceptable to kill people?
I want a national declaration!
My third demand !!!
Finally!

...to live free...
...all beings ...
I want ...
12
...happy and cheerful.
... that is magnifi-cent...
...in a world...
...in peace and as equals...

Bring me such a world!!!

A good world, filled with love, kindness and happiness...

WHA ?

KO

WHOOAH!

WHAT?

HE'S JUST MAKING THINGS UP!
No delay or I'll kill the hostage!
I want an official announcement from the prime minister!
You have two hours !!!
5
What are you saying?
Sh...
Shut up!

CHIEF, LOOK!

16

I'll let you go if you behave!

Yamazaki, this is not the time to give up!!!

IM-POSSI-BLE

IS HE TAKING A DEAD MAN HOS-TAGE?

HE ISN'T MOVING, YOU'D THINK HE'S DEAD

FINE... NOW IT'S MY TURN.

YOU'RE REALLY SOME-THING

I WANTED TO WIN SOME TIME FOR OUR ESCAPE.

I TALKED WITHOUT THINK-ING.

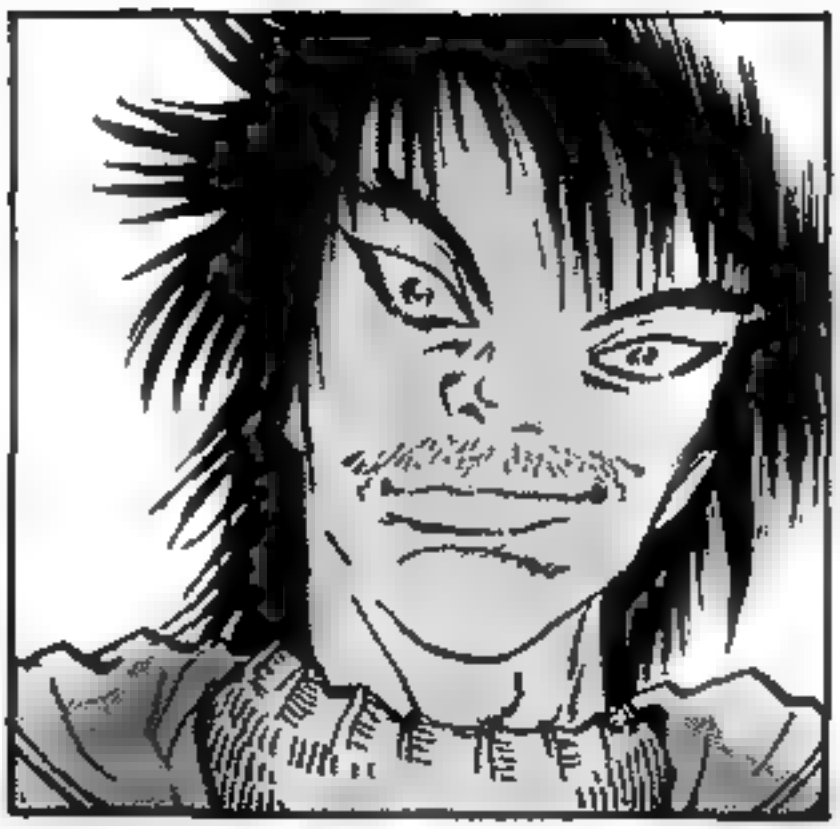

OH!

MON ...!

Page 135:

- The Jōmon period is the time in Japanese prehistory from about 10,000 BC to 300 BC. The term "Jōmon" means "cord-marked" in Japanese. This refers to the markings made on clay vessels and figures using sticks with cords wrapped around them.

- The Tomb of Christ which the author is referring to is situated near Shingo in Aomori. The town claims to be the last resting-place of Jesus, buried in the "Tomb of Jesus." According to the local lore, Jesus did not die on the cross at Golgotha. Instead his brother, Isukiri, took his place on the cross, while Jesus fled across Siberia, Alaska, and finally to Aomori, Shingo, Japan, where he became a rice farmer, married, and raised a family.

- The Sannai Maruyama site is an archeological site where they discovered houses, graves and several other structures dating from the Jōmon period.

WAR IS IN FACT NOTHING MORE .

THERE IS NO EXPLANATION!
OTHERWISE, LAWS AND RELIGIONS WOULD BE USELESS.

I'D BE SURPRISED

IT IS TIME FOR US TO CAST AWAY THIS DREARY WAVE OF FREEDOM AND IDEALS

WHICH HAS BEEN SWELLING IN THIS DEMOCRATIC SOCIETY

NEXT ...
I'LL EXPLAIN TO YOU MY ANSWERS!
...."EVIL IS EVIL", WITHOUT HAVING TO JUSTIFY IT.
LET US BECOME ADULTS, CAPABLE OF SAYING THAT ...
Do you hear me, criminals?
A UTOPISTIC WORLD DOESN'T EXIST, SO WE HAVE TO DO EVERYTHING TO CREATE SUCH A WORLD!!!
LIFE STILL IS PRECIOUS AND KILLING SOMEONE IS EVIL!!!

Just that human imagination has its limits.
